CLEVELAND CHRISTIAN SCHOOL
6th 7TH & 8TH GRADES Mrs. Michelle Clark

Dear Parents,

The beginning of the school year will be here soon and I wanted to get the Jr. High supply list to you early. **Each student** needs **everything** on the list the first day:

- **Bible (King James version preferred)**
- Pencils (if using mechanical pencils please purchase extra lead)
- Colored pencils
- Notebook paper
- Erasers
- Standard Clear Plastic Ruler
- Pens (blue or black ink) NO RED OR GREEN INK (to use when setting goals on goal card)
- Small supply box (plastic)
- Back pack
- Small box of Kleenex
- A sturdy cardboard or plastic Magazine holder for PACEs and papers (available at Wal-Mart)
- Calculator (simple scientific calculator—Texas Instruments T1-30Xa. (Cost-appx $10.00)

Students do not need expensive graphing calculators in Jr. High.

- **No** Scissors or Glue, please

This is just a basic list of supplies needed for the Jr. High class. During the school year please check with your student to see if supplies need replacing.

There is one supply item the school staff requires above all else which is a **Bible**. We prefer the King James Version, only because this is the version used in students' PACE work and we use it for the required monthly scripture memory work. If your student prefers a different version of the Bible they may bring it to class. **Each student** needs a Bible they can leave in their office at school because it is needed for PACE work, devotions, and chapel on Wednesday. Since this is a Christian school we feel the Bible is the most important book they should have in class.

Thank you for your cooperation, I am looking forward to a great year.

Sincerely,
Mrs. Clark
